STRONG FACTS!

A great many people are asking what particular troubles BROWN'S IRON BITTERS is good for.

It will cure Heart Disease, Paralysis, Dropsy, Kidney Disease, Consumption, Dyspepsia, Rheumatism, Neuralgia, and all similar diseases.

Its wonderful curative power is simply because it purifies and enriches the blood, thus beginning at the foundation, and by building up the system, drives out all disease.

A Lady Cured of Rheumatism.

Baltimore, Md., May 7, 1880.
My health was much shattered by Rheumatism when I commenced taking Brown's Iron Bitters, and I scarcely had strength enough to attend to my daily household duties. I am now using the third bottle and I am regaining strength daily, and I cheerfully recommend it to all. I cannot say too much in praise of it. Mrs. MARY E. BRASHEAR, 173 Presnam St.

Kidney Disease Cured.

Christiansburg, Va., 1881.
Suffering from kidney disease, from which I could get no relief, I tried Brown's Iron Bitters, which cured me completely. A child of mine, recovering from scarlet fever, had no appetite and did not seem to be able to eat at all. I gave him Iron Bitters with the happiest results. J. KYLE MONTAGUE.

Heart Disease.

Vine St., Harrisburg, Pa. Dec. 2, 1881.
After trying different physicians and many remedies for palpitation of the heart without receiving any benefit, I was advised to try Brown's Iron Bitters. I have used two bottles and never found anything that gave me so much relief. Mrs. JENNIE HESS.

For the peculiar troubles to which ladies are subject, BROWN'S IRON BITTERS is invaluable. Try it.

Be sure and get the Genuine.

A man and woman, giving the names of Alfred Anderson and Bertie Nelson, were arrested at San Francisco Thursday on a dispatch from the Chief of Police of Portland, Or. They had just arrived from Victoria on the steamship Dakota. These are accused of being concerned in the murder of Carl Anderson, whose body was last week found on Swan Island, a few miles below Portland. The condition of the body was such as to leave no doubt that Anderson was murdered. The woman arrested was the former mistress of the murdered man, and the other prisoner is his brother. Both parties protest their innocence, and claim that they know nothing of the murder.

LATE BOOKS.

"The Cleveland Mystery" is a novel written by a New York editor to illustrate the workings of the political machine. If it is true, and it is said to be, New York is worse than Nevada. The story has a vein of romance given it by the loves of Senator Hamblin's daughter. A rising politician who is rich and eloquent wools, but fails to win her. She prefers a bank cashier and the plot is very thick around them. Those who delight in politics will enjoy the new vein of literature, but lovers will prefer to take their straight. Politics and love will hardly make good timber for popular novels.

The John W. Lovell Company of New York are putting light literature within easy reach by issuing all the best of the recent novels in twenty cent editions. Their type and paper are good and their selections of the best. They send us "Ludovic Halevy," which has had a brilliant success; "Freelance," by a Southern lady, just entering the field of authorship; "The Tricks of the Greeks Unveiled," an exposure of cards and other tricks, and "They were Married," by the popular authors Walter Besant and James Rice. The books are kept in stock by Jamison & Son.

Do not vote for any man for charity's sake. Washoe has suffered from this cause before. Let efficiency be the only standard, and vote for no broken down hack because he is hungry. We cannot make a charity hospital out of the public offices.

The Democratic papers claim that all will be quite serene if their ticket is elected. Taxes will be reduced, all moneys honestly spent, the railroads cinched, and the millennium will be here. "We will catch larks when the sky falls."

Both Democrats and Republicans are canvassing the registry list in this precinct. The Democrats admit that their opponents have a good working majority.

Vote the Republican ticket and vote it straight, because the nominees are all good men.

EASTERN DISPATCHES.

After the Sugar Monopolists.
 NEW YORK, Nov. 4.

The following petition has been signed by all prominent raw sugar importers, refiners and brokers in New York, Boston and Philadelphia, and forwarded to Secretary Folger:

SIR: The undersigned, importers, refiners and brokers of raw sugar, respectfully call the attention of the Secretary of the Treasury to the great injustice to them of importing free duty into San Francisco and other ports sugars from the Sandwich Islands which are entirely different in quality from that contemplated and clearly specified in the Hawaiian Islands treaty. The effect of this unlawful importing into San Francisco has been to greatly stimulate the production of sugar in the Sandwich Islands, until it has reached an extent making it necessary to find other United States markets, and already cargoes have been imported into New York, which we are informed the New York appraisers have pronounced as liable to duty as not coming within the stipulations of the treaty; but it is now announced in the press that this is a question of fact which has been referred to the Collector of San Francisco, against which course we respectfully protest, as it is well known that such importations have been very large and are continually increasing in San Francisco, and to refer the question to the Collector of that port would constitute him the judge of his own acts, which we contend have been to allow illegal importations, greatly to the detriment of the entire sugar trade of the country.

Counterfeit Treasury Notes.
 NEW YORK, Nov. 4.

The Treasury Department was apprised to-day of an attempt to flood the city with counterfeit ten-dollar notes of the series of 1875, letter C. Twenty, at least, were passed on shopkeepers. The counterfeit is poor and not likely to deceive. The counterfeit first appeared in 1880 and ran through the West. A portion of the plate has been captured in Missouri, but the engraver escaped with the other part.

A Clear-Headed Lunatic.
 QUINCY, Ills., Nov. 4.

The habeas corpus case of Mark Gray, who tried to shoot Edwin Booth, on application for his release from the Elgin Asylum, began here yesterday and is still in progress. Gray occupied the witness stand nearly all day. He gave a clear and connected statement of his doings up to the time of his attempt on the actor's life, and a cross-examination failed to confuse him or lead him into a contradiction.

WESTERN TELEGRAMS.

SHOOTING AT EUREKA.

James E. Anderson Fatally Wounded
 By George J. Reek—Bad Blood.
 EUREKA, Nov. 8.

A fatal shooting occurred here about 4 o'clock this afternoon, on Main street, between James E. Anderson, editor of the Eureka Evening Leader, a Republican newspaper, and George J. Reek, Republican candidate for County Superintendent of Public Schools. Anderson was shot through the bladder and lower bowels, the bullet entering on the right side in the pit of the stomach and ranging downward. Reek was not hit. Anderson is reported to be in a dying condition. The affair caused a very lively sensation. Reek, after emptying his six-shooter, running away up the street, and Anderson pursuing and trying to fire a third time at him, but missing on account of the crowded condition of the street, or because the hammer of his pistol got out of gear. The cause of the trouble was a quarrel in regard to politics. The stories as to who fired the first shot are conflicting, and cannot be reconciled.

EUREKA, Nov. 4.

The Leader charged Reek with supporting Kaye. Reek came out in a card in the Sentinel, denouncing Anderson as a liar, or infamous wretch, etc. When they met on the street firing commenced. There are conflicting reports as to who fired the first shot. Reek fired four at Anderson. One ball has been extracted from Anderson, who has a chance for recovery.

EUREKA, Nov. 4.

The following facts have been developed in the Anderson-Reek shooting scrape. As to who fired the first shot testimony is divided and directly opposed. The most of the firing was done with Thomas Dale between the two parties. There is a change in Anderson's condition for the better to-day. The ball which passed nearly through him, entering at the pit of the stomach, has been cut out near the rectum. This morning the doctors in consultation thought that the bowels have not been pierced and that the ball passed only through the throat of the bladder. The wound is extremely serious, however, and the patient's chances of recovery are looked upon as one in a thousand. The affair has created a profound sensation. The wife of Anderson has been driven almost wild by the shock, and is in imminent danger of her life, lying as if paralyzed without being able to move hand or foot. The wife of Reek, who has been confined to jail, bail being denied, is also extremely ill. The cause of the trouble which culminated yesterday in the shooting goes back some two years, and is of a personal nature. The immediate cause is charges in Anderson's paper of treachery to his party by Reek. Several articles of that sort published in the Leader elicited the following card from Reek, published in the Eureka Sentinel:

"In reply to that unwholesome and liar, J. E. Anderson, who accuses me of supporting Mr. Kaye, I have only to say that the infamous wretch knew he lied when he printed that article. Furthermore, he has boasted that he would do all in his power to injure me because I happened to announce myself in the Sentinel and Ruby Hill paper before announcing myself in the Leader. He even refused to announce me in the Leader until compelled to do so by those who controlled the paper. I say most emphatically that I have not in any way given Mr. Kaye any support, nor do I intend to. I did say I could not make a personal fight for Mr. Young, because I had a hard fight to make for myself, more especially with the Ishmaelite, liar and scoundrel to seize upon any opportunity to injure me as he has threatened. The vile, slimy, lying wretch wants another dose of mahogany club, and no doubt he will soon get it, and when he does get it, he will fawn upon and lick the hand that smites him. Signed: G. J. REEK."

When they met, firing began. In a minute all was over, seven shots being fired, two by Anderson and five by Reek. Public sentiment is divided as to the culpability of the parties which only a judicial examination can determine.

A COMSTOCK HORROR.

An Insane Mother Cuts Off Her Child's Head with a Hatchet.
 VIRGINIA, Nov. 4.

Night before last at 9 o'clock, the wife of Daniel Hlossett, a miner, left her home in a fit of insanity, and taking her three small children, struck out for the mountains north of the city. She wandered back into town at 5 o'clock last evening, having been out through all the heavy snowstorm. She came back with but two children, boys 7 and 8 years of age. At first the woman said her babe had frozen to death, but finally said it cried and she cut its head off with a hatchet she had carried with her. Officers this morning went in search and in an old stone quarry north of the city where the woman said she and the children slept by the side of a big boulder, the body of the babe was found. The head was severed except by a strip of skin at the back of the neck. Mrs. Hlossett says that before cutting the child's head off she drew a blanket over the faces of the two little boys, so they should not see her do the deed. She says she would have killed

the boys, but thought too much of them. Mrs. Hlossett was examined by physicians as to her sanity a few days ago. They found her mind in such a state that they recommended watching her. A neighbor saw her leave her home with her children. She told him no one liked her and she was going away to live in the mountains. The husband of the woman is here. He was arrested last night and locked up as insane when telling about what his wife had done, but was presently released.

FOREIGN TELEGRAPH.

South American News.
 PANAMA, Oct. 25.

A dispatch from Lima says the papers are totally adverse to American interference. The foreign merchants of Lima ask for a suspension of the decision imposing 50 per cent increase of tax on exports. Meanwhile the merchants have stopped all importations. Several citizens of Lima who refused to pay a levy of \$2,000 each have been sent to Chilli. Gibbs & Co., it is said, have purchased a guano and nitrate deposit from the Chilean Government for \$200,000. This is the first of the large establishments sold. The south end of the Central American Cable Company's cable that was broken by a submarine landslide caused by an earthquake has been repaired. Lopez, who shot and wounded General Aldora at Bogota and killed his orderly, has been captured.

LIEBIG MALT EXTRACT.

RECOMMENDED BY PHYSICIANS of the highest eminence on both sides of the Atlantic, as an invaluable Food and Restorative in cases of General Debility, Nervous Depression, Enfeebled Constitution and Female Weakness.

NURSING MOTHERS, who suffer from poverty of milk, will find it a specific for their troubles. It stimulates the digestion, sharpens the appetite, invigorates and builds up the entire system, and ensures a generous flow of milk.

WEAK AND SICKLY CHILDREN, who suffer from jaundice and weakness, the result of disease, over-study, or nervous strain, will derive substantial benefit from its use. It restores the system to its normal condition and brings back the bloom of youth.

INVALIDS AND CONVALESCENTS will find it a valuable adjunct to their sustaining life, and restoring strength. When the stomach is weak and refuses other food, the digestion will prove a tedious and unprofitable task. It neither pains nor irritates the system, and restores the appetite.

DELICATE FEMALES, who suffer from the weakness of their sex, will derive lasting relief from its use. It invigorates the system, purifies the blood, stimulates the appetite, and restores the system to its normal condition.

WEAK AND DELICATE PERSONS GENERALLY, who require some artificial restorative, and especially those who are inclined to Consumption, will find this preparation exactly suited to their needs. It is a specific for the Coughs and Nervous Affections usually incident to a low state of the system.

AS A FLESH RESTOREr it possesses the highest qualities. The whole tendency of its action is to stimulate the digestive and assimilative organs, and its effect is invariably to give richness and roundness to the female form, and robustness to the masculine frame.

THE LIEBIG MALT EXTRACT is a pure concentrated Fluid Extract of Malt, agreeable to the taste, and free from alcohol. It is readily retained on the stomach, and contains none but wholesome and nourishing ingredients. The genuine preparation bears on the label a fine engraved likeness of Baron von Liebig, and a facsimile of his signature, as well as that of A. VOGLER & CO., Barmen, Germany, Sole Agents for America.

THE ANTELOPE DANCE.

A Long Ride—Lots of Fun and Safe Return.

Three car-loads of Renoites were pulled out to Dave Evans' hospitable house at Oneida, the present terminus of the N. & O., by the little Santa Cruz last night, to take part in the long-talked-of dance which had been advertised for November 3d. The train was advertised to leave at 5 o'clock p. m., and at that hour about 60 fun-loving citizens, headed by W. F. Berry, congregated at the depot. The N. & O., like all other railroads, has its troubles. Owing to the storm the Susanville stages were late, and it was nearly 7 o'clock before the excursionists were pleased at its arrival from the North. The trouble was over when the train started, and the jolly crew reached their destination about 9:30 and were cordially received by Dave Evans. After a lunch had been served, the party adjourned to the railroad company's new depot and dancing was the order of the night. Roff's band furnished the music, and as usual it was first class. At 1 o'clock the dancers returned to the hotel, where Mr. and Mrs. Evans had prepared one of the best suppers ever set in this or any other State. Owing to the bad condition of the roads the Reno people did not meet as many of the Long valley folks as they hoped to see, but what Long valley lacked in number was made up by the few who did represent that section, and the result was that every one who went from here was delighted with the reception awarded them. Reno was represented by Hon. P. N. Marker, Hon. Jerry Schooling and family, J. F. Alexander and wife, John F. Myers, A. C. Blakely, Will Lemmons, W. F. Berry, George W. Conkling, Jr., Mr. Wyatt, M. J. Smith and wife, E. L. Bridges, W. H. McInnis, Misses Minnie and Frankie Gibbs, Miss Ordway, Miss Lila Dickson, the Misses Finlayson, Miss Lena Fraser, the Misses Schooling, Mrs. Alt, Ella Lamburth, W. F. Berry and wife, and many others whose names cannot be recalled. The trip home was a little severe on the gentlemen. They were put in a box car without any fire while the ladies were given the N. & O. palace car, comfortably heated. The unanimous verdict was, however, that for a royal good time Mr. and Mrs. Evans' hotel at Oneida was the place to go to.

POLITICAL.
REPUBLICAN PLATFORM.

Resolved, That the honor and glory of the Republic, its continued peace, prosperity and progress will be best served by the perpetuation and continued success of the Republican party. We declare our fidelity to its principles as expressed in the Chicago platform of 1860, and as further embodied in its great history from its organization to the present time.

Resolved, That in the tragic death of President Garfield our country has suffered a deplorable loss, and the Republican party mourns for one who consecrated a noble and heroic life to the vindication of its great purposes.

Resolved, That we have faith in the present and sagacious administration of President Arthur and believe it will result in promoting the best interests of the country.

Resolved, That the presence in our midst of a servile race of aliens, incapable of assimilating with our institutions, is a perpetual menace to all classes of society. The relief afforded to our people by the passage of the law excluding the Chinese by a Republican Congress and approved by a Republican President is a genuine cause of satisfaction. We are in favor of strenuously enforcing the provisions of said law, and we pledge the Republican party to labor now and henceforth to secure such further legislation as will permanently exclude the Chinese.

Resolved, That we recognize the paramount importance of maintaining unimpaired the free public school system of the State. We shall defend it against all attacks, political or otherwise, and we favor such legislation as will place our people on terms of equality in respect to transportation charges with communities specially favored by railroad monopolies.

Resolved, That we pledge the Republican party of Nevada to such a course of enlightened legislation as will extend to railroad and other corporations doing business in this State the same protection and the same rights before the law as is accorded to individuals, no more and no less. And further, that the Republican party favors and demands at the hands of the State Legislature legislation restraining and equalizing freights and fares on all railroads within this State.

Resolved, That we are in favor of the Government of the United States establishing a postal telegraph service, and operating the same in connection with the Postoffice Department.

Resolved, That the release of silver should be placed upon the same basis as that of gold, and we invoke early Congressional legislation to that end.

Resolved, That it is the duty of the Legislature to enact such laws as will result in the purification of the jury box and better promote the administration of justice.

Resolved, That it is the duty of the next Legislature to pass such laws as shall reduce the expenses of State and county governments to the lowest possible limit, consistent with the requirements of the public service.

Resolved, That the earnest attention of Congress and the State Legislature is directed to the subject of codifying the laws relating to the location and working of mineral lands to the end that legitimate prospecting and the development of our chief source of wealth may best be promoted.

Resolved, That the appropriation by a Republican Congress for the payment of pensions to invalid Union soldiers and to the veterans of the Mexican war is the direct cause of a debt of honor and law—a generous remembrance of our country's defenders in its supreme hour of peril.

Resolved, That in the judgment of this convention the Legislature, when next convened, should make the entire constitution of the State; that in providing for such convention well-guarded restrictions should be made, defining the number of delegates, their compensation, and fixing the duration of its session; that we believe such a convention is imperatively demanded by the urgent necessities of the times, and among others for the following cogent reasons: First—to change the fundamental law so as to secure as nearly as may be the equal and uniform taxation on all property subjected thereto; Second—to regulate and render equal and just all the rates of passage and freight upon railroads doing business in this State, to the end that our leading industries may be fostered and not oppressed, built up and not overthrown; and third—to secure the reduction of the expenses of the State to the minimum by dispensing with all unnecessary officers and employees, rendering more speedy and economical the collection of public revenue, and the general administration of justice.
